ANOTHER PILL OF VIRTUE TAKES A TUMBLE.

Oklahoma City, Okla., February 12.—Minnie E. Bond of Oklahoma City, today gave her version in District court here of what occurred at a Washington hotel, March 24, last, when, it is alleged, she was attacked by United States Senator Thomas P. Gore of Oklahoma. Mrs. Bond is seeking to recover \$50,000 in damages from the senator.

BRACKEN CIRCUIT COURT

Many Divorces Granted But Not a Jury Trial on the Docket.

(Brooksville cor. Chronicle.) Judge Newell convened circuit court Monday morning, impelling the grand jury. This body after hearing several witnesses, returned two indictments, one against Riley Haley for keeping a disorderly house, the other against Wm. Pollard on a charge of grand larceny. He is accused of stealing a watch from W. J. Mings, at the Infirmary, several months ago. After being in session about two hours and returning the above indictments the jury asked to be dismissed, which action was taken.

The petit jury was impaneled Tuesday, but immediately dismissed, as it is quite likely that there was not a jury trial at this term of court. The docket is unusually light.

Ed Gordley was granted a divorce from Ella Gordley.

Alberta E. Wallace was granted a divorce from James A. Wallace.

Wm. Pollard, indicted on a charge of grand larceny, was ordered sent to the reform school, prosecution having been suspended.

The divorce suit of Callie Browning against Charles Browning was dismissed—a reconciliation having been effected. The divorce suits of Alex. Johnson vs. Minnie Johnson, was submitted.

Cora McClanahan filed suit against Thomas L. McClanahan for divorce.

The petit jury was impaneled and dismissed Tuesday, and Judge Newell adjourned court until Wednesday morning, at which time he adjourned until Tuesday week, at which time there will be some equity cases ready for trial.

KENTUCKY LEGISLATURE

What The Lawmakers Are Doing, Not Doing and Trying to Do.

Frankfort, Ky., February 12.—"I'm ready for expulsion if I deserve it. I never held anything I do," dramatically exclaimed Harry Meyers, representative from Covington, following a sensational debate on the floor of the House late yesterday. The anti-pass bill was being considered, and during the debate Representative John C. Duffy ridiculed a substitute for the original anti-pass bill, providing a system whereby by the Secretary of State should issue cards to all State employees and officials, permitting them to ride free on all railroads in the State. He declared the bill was patterned after the New Jersey law sent to him in response to a letter to President Wilson.

"The man who votes against anti-pass legislation brands himself as a servile puppet of special interest," declared Representative Duffy.

At this juncture Meyers declared that he and his friends rode on passes. "Free passes are no more unconstitutional than extra help," he said.

Representative Elwood Hamilton charged that the Covington man only last week had secured a special traction car fare to take a crowd to a prize fight in Lexington.

As Hamilton took his seat Meyers exclaimed: "Yes, and I've got another one for to-night, and you're all welcome to go, and if I can get another one next week I'll go then, too."

After a bitter argument the anti-pass bill was adopted by the House by a vote of 80 to 5.

The bill provides for a fine of \$5 to \$1,000 for railroads which give passes and a fine of \$100 and forfeiture of office for public officials who accept passes.

Those voting against the anti-pass bill were: Representatives Burton, Douglas, Kuh, Humphrey and Sharp.

Those absent were: Representatives Bailey, Holtzott, Davis, Plippin, Huff, W. B. Harvey, Luker, McDyer, Oliver, Palmer, Parrigan, Houstree, Stott and W. M. Webb.

NO STATE-WIDE TEMPERANCE BILL THIS YEAR.

Frankfort.—Although Senators Brock and Williams presented petitions requesting the adoption of an amendment to the constitution providing for State-wide prohibition, and Representative W. M. Webb, of Johnson County, has intimated his intention of introducing such an amendment, it is not believed that this will become a live issue at this session of the Legislature.

Leaders of the anti-liquor forces do not believe the time ripe for the enactment of State-wide prohibition.

Retired Georgia Planter's Advice to Kidney Sufferers

Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more with severe pains caused by weak kidneys, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it.

Sincerely yours,

C. E. USSERY,

Bowersville, Ga.

Prove What Swamp-Root Will Do For You.

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention The Maysville Daily Public Ledger. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

Farmers

Have you ever tried our way of borrowing money to pay for a farm?

You, of course, know that most farms are sold for one-third cash and the balance of the payment is represented by lien notes due in one and two years. You also know that there are times when it is impossible to pay these notes when they become due.

Our specialty is lending money on good farms for LONG PERIODS. Would you rather have five years to pay the balance than two years? Any one expecting to buy farms this March will do well to come in and consult us about getting the money.

We have been giving satisfactory service for 24 years.

ELECTRIC SIGNS!

The distinguishing air of quality which a first-class Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad.

It is the Sign of the Times.
